REC GYM NEWS

Introducing New Kirby Clinics:

✨ Introducing Our BRAND-NEW Recreational Skills-Focused Clinics! ✨

Ready to level up? These exciting clinics are all about helping athletes conquer those skills they've been working so hard toward in class! With dedicated time, focused coaching, and tons of purposeful reps, athletes will break skills down step-by-step and build the confidence needed to truly master them.

If you're this close to Leveling up, but a few tricky skills are standing in the way—this is your moment! These skill-intensive clinics give our athletes the extra attention, encouragement, and repetition they need to push past challenges and unlock their next level of success.

REC GYM NEWS

Summer Showcase Classes

Registration starting April 13th- Classes start May 30th

So far we have had some very fun showcase themes and we cant wait to see what the theme will be this year! This is weather you get the chance to be a part of the planning process.

We are running a contest to decide this year's showcase theme! If your suggestion is chosen as this year's theme, you will have the awesome opportunity to be a part of our annual showcase totally **FREE!!!** Be sure to get creative and drop off your ideas to the drawing box at the front.

Be on the look out for registration information as we gear up for our wonderful **4th annual Summer Showcase**

Girls Rec Athlete of the Month

Starting this month we will be announcing our brand new instated Girls Rec Athlete of the month each month!

Athletes who ring the "New Skill Bell" are automatically in the running to win!
